BIM WORLD COPENHAGEN 2024 OVERVIEW

BIM World Copenhagen is *the* place in Scandinavia to learn about and discuss how a thorough digitalization of the building industry can help push the green transformation of the industry and help make buildings and construction better across the value chain; from the first sketch to end-of-life.

You can be apart of the 2025 event, through your BuildingSMART/BIM Alliance membership on advantageous terms, meet your target group and help steer the Scandinavian industry in the right direction!

**BUILDING SMART AT
BIM WORLD CPH 2025**

Thanks to our partnership, members of the Nordic BuildingSMART chapters can secure exhibition space at a special BuildingSMART Nordic partner rate.

For just 1,300 EUR, you can join the BuildingSMART Nordic booth, an excellent platform to showcase your solutions and highlight OpenBIM.

This common booth area will feature high tables and posters/roll-ups, providing a professional yet collaborative space for your company.

As a part of the BuildingSMART area you will receive an invitation code that gives you the opportunity to invite your network, costumers, important partners and connections to participate in the event at no cost.
